

Paragraphs

Here is a paragraph about 'Wellington Boots'.

Wellington Boots are made from rubber. They are usually black or green but they can be in lots of different colours like pink or blue. They are worn by children and adults. They stop you from getting your feet and legs wet and muddy when it is raining. Lots of people wear them when it is snowing. They should always be taken off inside the house!

Now choose at least two of the words below and write a paragraph about each one.

lollipops	bicycles	Lego	balloons
newspapers	wasps	tomatoes	traffic lights

Paragraphs

Here is a paragraph about 'Cars'.

Cars are owned by many people. They are made all over the world and come in lots of different colours, shapes and sizes. They are used for many journeys, short or long. Most cars are on the road in the rush hour. This is the time of day when most people are on their way to work or school. Cars are supposed to make life easier but sometimes it's better to walk.

Now choose at least two of the words below and write a paragraph about each one.

spiders

football

magazines

shops

school

apples

computers

Christmas
