

Irregular Verbs

Not all verbs can simply be changed into the past by adding ed. The verb itself changes.

For example:

<u>Present</u>	<u>Past</u>	<u>Future</u>
I sing	I sang	I shall sing

So sing becomes sang, not singed!!

Can you copy and complete this table of irregular verbs.

<u>Present</u>	<u>Past</u>	<u>Future</u>
He deals		
We think	They ate	
		I will go
I can		

Extension: Write a sentence for each tense in the table above. Here is an example for sing

Present : I am singing in the church.

Past : Yesterday I sang in the school choir.

Future : I am going to sing in a concert next week.

Clue. Dictionaries will help if you are unsure of the tense changes.
