

SPaG's a Joke!

Each question has one or two jokes. Read each one carefully and write down in each numbered box, the capital letter at the end of each correct answer. You can do the questions in any order. The letters will not make sense at first but when you have finished, your teacher will tell you how to decipher it. The boxes with no numbers in are for the deciphered letters.

As a scarecrow, people say that I am outstanding in my field.

A	T	S
B	U	T

G	Z	X	,
H	A	Y	,

H	S	'	R
I	T	'	S

H	M
I	N

L	X
M	Y

I	D	Z	M	R.
J	E	A	N	S.

When you have deciphered the sentence, can you replace two words with homophones to change the meaning?

But hey, it's in my genes.
