

# Article Writing Frame

Article title:

Begin by setting the scene.

What did you find when you broke through the first door?

Describe why it was so exciting for you.

Write a conclusion about what has happened since.

Remember connectives are often used when writing articles to link different parts of the text !

Here are some examples of connectives :-

But	instead	finally	however	because
Yet	nevertheless	therefore	next	so
Eventually	thus	as a result
