

## Loop Cards

Your task is to design a set of 32 loop cards for a numeracy lesson. The cards should be designed to challenge children in your Maths group. The questions should be based on today's learning objective which is \_\_\_\_\_  
\_\_\_\_\_ Good luck!

|       |       |
|-------|-------|
| START | _____ |
|-------|-------|

|       |  |
