## PLACE VALUE

Use place value cards to help you with this work.

Make each number with the place value cards and then write what each underlined digit is worth.

1. 17

2. 12

3. 24

4. 28

5. 63

6. 54

7. 39

8. 47

9. 10

10. 15

11. 14

12. 25

Using your place value cards try to partition these numbers. Write the answer in the box.

32

17

48

28

13

39

How did you do? Colour the face that tells how you felt.
