

Murder Mystery 7 – Death at the sports centre

A murder was committed at a sports centre. The murder weapon was found in a sports bag by the manager of the sports centre along with 5 items belonging to the murderer. The manager and the bag have since vanished but before he did so he was able to list (in code) the 5 items in the bag.

There are 32 suspects. Each item will eliminate half of them. Can you crack the codes to do this?

What was in the bag? Who is guilty?
