

Above the line draw in an arrow to show approximately where the following should be.

73      46      85      4      38      97

14      34      58      41      3      79

64      49      13      77      80      99

Write a number by each arrow to show approximately the number it represents.
