Where is the treasure?

- Find a partner and sit together nicely.
- Place your pieces of treasure on your grid (make sure your partner doesn't see them!).
- Take it in turns to try and find each others treasure by calling out different coordinates.
- You have to find all parts of the treasure to win the points (you might have to call out 6 different coordinates to find the complete treasure!).
- When you have found the whole of a treasure, you collect the points (look at the key on the game board).
- If you find a pirate you miss a go!
- The winner is the first player to find all of the treasures!
