

German (Lesson 4)

Colours - 1 hour (Y4/5)

Learning outcomes:

- Understand and recognise colours in German
- Respond appropriately when asked the colour of an object
- Begin to write colours from memory

Teaching and learning activities:

5 mins:

Review greetings/goodbyes using flashcards. Whole class. Give out small English greeting/goodbye flashcards (3 per child). Call out a greeting/goodbye in German. Children with that card hold it up.

10 mins:

Introduce topic using colour flashcards. Repeat several times for reinforcement. Hold up cards, ask what colour they are in German.

10 mins:

Individual work. Children complete colour matching activity. Colour in boxes in the colour corresponding to the word to the right. Write out the word neatly to the right of the word 3 times.

5 mins:

Copy down vocabulary from IWB or A3 sheets onto vocab sheet.

5 mins:

Children complete Flag colour sheet.
