

### Jonah learns that God is everywhere

Illustrate the story of Jonah. How will you show the presence of God in each part of the story?

God asked Jonah to take a message to the people of Niveveh.

The message was to stop doing wrong things or God would destroy Nineveh.

Jonah tried to hide from God. He hid in a ship. God made a big storm and the ship was going to sink. Jonah told the sailors to throw him over board so that God would save them. They did and He did.

But Jonah thought God would forgive them if they changed their ways. Jonah would then look silly

God looked after Jonah by sending a big fish to save him.

Jonah realised that he could not hide from God so he took the message to Nineveh. The people changed their ways and God forgave them.

Jonah was in a mood. He thought God had made him look silly. He sat down outside the city. God grew a tree to shade him but the next day it died. Jonah was in a worse mood. God explained how he had made everything and loved it all.
